Portland IPA

What could be “More Portland” than two homegrown brands working together to create Portland’s favorite type of beer? We’ve teamed up with the folks at Portland Gear to bring you this special variant of our flagship IPA recipe. We’ve taken our two standard bearer IPAs– Wanderlust and Breakside IPA — and brought elements of each into this new release. Beyond the IPA mash-up, we’ve doubled down on our Dry hop in this beer, splitting our aroma charge into two separate additions and adding in some extra varieties and weight to give the beer even more punch than normal. One taste and you’ll be proud to live in this city that truly is Beervana, USA.

Flavor Profile: Tropical, Apricot, Guava, Orange and Evergreen • 7.3% ABV • 52 IBU

Fort George Brewery

Cavatica Stout

Mighty, bold, and black as night, our house stout has gained a reputation for being contagious among the locals. This is no dry Irish anything, but rather a strapping American Double Stout with a sweet undertow and addictive hint of toasty goodness. The name honors this brewer’s affinity with literary arachnids – specifically Charlotte A. Cavatica, the eight-legged character from E.B. White’s *Charlotte’s Web*. Be forewarned, this beer will stain your clothes. *8.8% ABV • 30 IBU*

Fort George Scatter Plot West Coast Pilsner

A mathematical West Coast Pilsner - charting various Pilsner and IPA data points to display the most flavorful and refreshing beverage possible. Bet you never had a pilsner expressed by Cartesian Coordinates in Euclidean space. How about a crisp pilsner body with all the bold, rich hop flavor of an IPA? Scatter Plot is a clean, clear, empirically balanced Pilsner with a burst of citrusy West Coast hops. *5.8% ABV*

Vortex IPA

India Pale Ales were originally brewed strong to withstand the long voyage to India. Today, breweries concoct IPAs hoppy enough to make the trip back. Vortex IPA is Fort George’s contribution to the IPA arms race. Brewed with generous additions of Comet, Chinook, and Simcoe hops throughout the brewing, fermentation, and conditioning phases, and balanced with heaps of pale malt. We designed Vortex IPA not to rip the taste buds off your tongue, but rather vigorously stimulate your palate with lupulin ecstasy. Brewer’s Notes: Vortex IPA is named in reverence to the tornado that nearly scattered our Sweet Virginia brew system (the original pub system) among the cornfields of Nebraska, while en route from Virginia Beach to Astoria. To this day, Sweet Virginia remains a workhorse in the public house, and we continue brewing Vortex IPA as our flagship beer. *Aroma: Pine needles, citrus, melon, resin with light malty notes • Taste: Upfront bitterness balanced with a moderate malty sweetness • 7.7% ABV • 97 IBU*

Pinot Noir

Fragrant and floral aromas of hibiscus and dried rose petals combined with bright cherry, dried cranberry, and just a hint of black licorice are expressed in this classic Oregon Pinot Noir. A medium bodied entry instantly pleases and leads to a silky mid palate carried by dried Bing cherry, black tea, with light sandalwood and cedar notes. Well-balanced, this wine's body is supported by youthful yet integrated tannin and moderate acidity that lingers into a medium-long finish. A direct and mouthwatering Pinot Noir that promises to pair perfectly with both Wednesday night takeout or Friday date night! *13.5% ABV*

Pinot Rosé

Joe Dobbles, one of Oregon's most successful wine producers, removes pretense and packs some fun into this rosé from Pinot Noir. He offers it as a bargain, thanks in part to the fruit of his 189-acre Sea Breeze Vineyard west of Salem, Ore., and he creates the dry rosé for this tier by using the saignée method. The watermelon color leads to aromas of dried strawberries, raspberries, peaches, and rose petals. Those same fruit flavors are layered across the palate with some early lusciousness that gives way to a bright and rewarding finish of blood orange that easily brushes away the scant residual sugar (0.3%). Enjoy with barbecue chicken, a ham sandwich, or summertime salads. Buy enough and hold onto a bottle or two to serve with that holiday bird or a satisfying bowl of pho. *13.5% ABV*
