

2019 Beverage Policy

Oaks Park allows Groups to bring in, & consume, non-alcoholic beverages (except non-alcoholic beers, wines, & ciders). **ALL alcoholic beverages must be purchased from the Oaks Park Catering Department.**

All beverages must be paid for, in full, upon ordering.

The Group's organizer must check in at Guest Services prior to any alcohol being delivered to their reserved Picnic Area(s).

The Group's authorized representative must sign for kegs, pony kegs, & 1/6 bbls. They will need to show their valid driver's license at Guest Services. Once the pertinent information is obtained & the Group has signed for the keg, pony keg, or 1/6 bbl, it will be delivered to the Group's reserved area(s) in the order it was received at check in. The Group's authorized person will also be required to sign for **all** alcoholic beverages upon delivery at the Group's picnic area. **Please allow extra time for delivery on busy days.**

Oaks Park reserves the right to request proper identification from any individual at any time. If the individual cannot produce proper identification, alcohol will be removed from their possession. They will not be permitted to consume any other alcoholic beverages while on Oaks Park property.

Oaks Park reserves the right to discontinue service of alcoholic beverages to any individual or group that is not in full compliance with OLCC regulations and Oaks Park's House Rules. Oaks Park also reserves the right to require the Group to hire an Oaks Park's bartender(s), at the Group's expense.

Bartenders are available through Oaks Park. They are \$31.50 per hour [minimum of two (2) hours] each. Arrangements for bartenders must be made at least thirty (30) days in advance of an event.

The Group may not sell alcohol to its guests. Failure to follow this guideline will result in forfeiture of alcoholic beverages, with no refund of payment.

No beverage equipment will leave Oaks Park for any reason. This includes, but is not limited to, coolers, kegs, pony kegs, and 1/6 bbls. Removal of equipment will cause additional charges to the Group's final invoice and, if necessary, legal action.
