

7805 SE Oaks Park Way
Portland, OR 97202

March 2, 2026

Dear Parents and Club members,

We are entering a busy time of year for the Oaks Skating Club. As skaters intensify their training to prepare for Regionals and Nationals, so must the club prepare to host the Northwest Regional Championships, June 20-22. The Oaks Skating Club has successfully hosted Regionals for many years thanks to the huge amount of support from the club membership.

The Regional program contains ads which can be solicited by each club member. The deadline for ads and boosters is May 20th. Please see the attached forms and try to get at least one ad and some boosters. Gift certificates will be awarded to a senior and junior club member bringing in the most in ads and boosters.

This is a very important and busy time for our club. If we all “pitch in” and work together we can make this a successful endeavor!

Ads and Boosters for the regional program should be “digitally ready” and should be sent directly to Dot Leppin. dalleppin@comcast.net. Ads may also be given to Pam Murray or Wendie Steiner.

If you have questions please be sure to ask any Club Board Member
Thank You.
